Notified Body No. 2358

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

External Pedestrian Doorsets with Emergency Exit Devices on Escape Routes

Construction: Aluminium profile single, double leaf and sliding doors

Intended use: External pedestrian doorsets with emergency exit devices on escape routes

Reaction to fire class: No performance determined

Seicom OÜ

Karjamõisa tee 3
60543, Tartu vald
Tartumaa, Estonia

and produced in the manufacturing plant at the below address

Äksi alevik, 60543, Tartu vald, Tartumaa, Estonia

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard

EN14351-1:2006+A2:2016

under system 1 are applied and that

the factory production control fulfils all the prescribed requirements set out above.

This certificate was first issued on 09 November 2018 and will remain valid until the date of expiry shown on this certificate provided that the test methods and/or factory production control requirements included in the harmonized standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.
